OPTION

This diagram illustrates the optional key switch assembly. It includes a black square button labeled "START" with a key symbol and a curved arrow indicating rotation. The assembly consists of a rectangular box (0304000634) which is mounted to a panel using two screws (0300010604) and a nut (0300210602). A long, thin shaft (0350070006) is inserted into the box, and a key is attached to the end of the shaft.

The diagram shows an exploded view of a metal cabinet assembly. It includes a main cabinet body, a door, and various mounting brackets and screws. The components are labeled with part numbers: 0300080405 (screws), 0301050005 (bracket), 0340030001 (bracket), 0300090602 (door), and 0503000049 (warning label). The warning label is a yellow square with a black border, containing six icons: a warning triangle, a person using a tool, a warning triangle with a lightning bolt, a person wearing a hard hat, a person wearing a safety vest, and a person wearing a safety harness.
